

WEB-Based:

This web-based program can be accessed wherever and whenever internet service is provided.

YOUTH-Focused:

Our interactive, Y2Y™ (Youth-To-Youth) program is designed to fit the needs of your students. It is filled with interactive learning exercises and safety content that keep participants engaged in OSHA regulations and standards.

OSHA CREDENTIALLED:

Once a user successfully completes the CareerSafe® Online course along with either the OSHA 10-Hour General Industry or the OSHA 10-Hour Construction Industry course, they will receive an OSHA 10-Hour Card.

AFFORDABLE:

We are committed to delivering the CareerSafe® Online OSHA 10-Hour programs at a reasonable cost – A 10-Hour OSHA course, one year of access, and an OSHA 10-Hour Card for only \$18 per student.

Perkins funds may be used!
